From Edmonton Christian Schools - West School Building Project.

We would like to invite everyone to follow the progress of the West School Building Project at www.edmchristian.org (click on News & Stories). Currently in its 8th month of construction this project demonstrates and celebrates God's faithfulness to our Christian schools, which are now in their 70th year of encouraging students to *play their role in God's story*. As we open a *New Chapter in an Old Story* of God's faithfulness, we invite all supporters of Christian education to participate by donating to this project, as several hundred alumni, supporters and parents already have. We hope to reach our goal of \$5M by the end of the year and to open our new modern school in September of 2020. Donations can be made online at www.edmchristian.org (click on Donations) or by calling us at the Society office: 780-476-6281.
